Episode 15 – Dirt Loves Merchants (01)

And our contact?
It seems like Marie was involved in this battle

Hmm...
Send the two who are at the Wall of Continents.

Even Edermask can't be okay if he fought that intensely.

I will send them to the location of the pillar of light.

I will report as soon as I have news of Edermask's whereabouts.

I await

we meet.

The wounds aren't healing
It's even worse than I thought
It'll take a long time to recover

What did you say?

You heard me.

And kid, I'll let this go this time.
STAGGER

My main interest was in the battle with Edermask anyway.

I confirmed Edermask's power...
And Edermask. I'll assume that you're coming
On the day of the 2nd full moon in Eden

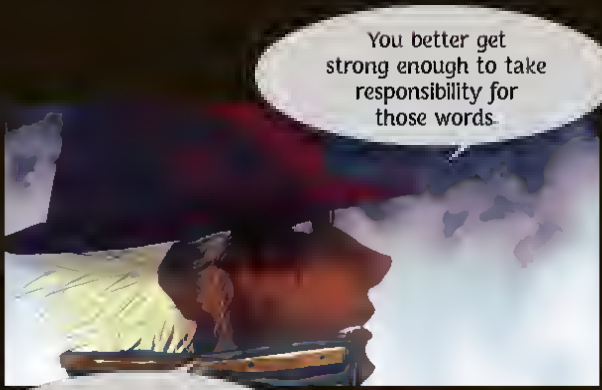

I'll see you there.
.....

EDAN!!

Next time...
We meet again...
I won't be the same as I am now.

YOU WON'T BE ABLE TO JUST IGNORE ME LIKE THAT!!!

Keke

You better get strong enough to take responsibility for those words.
If you're this weak the next time I see you...

I won't let you off the hook again
Enzu, did you say?

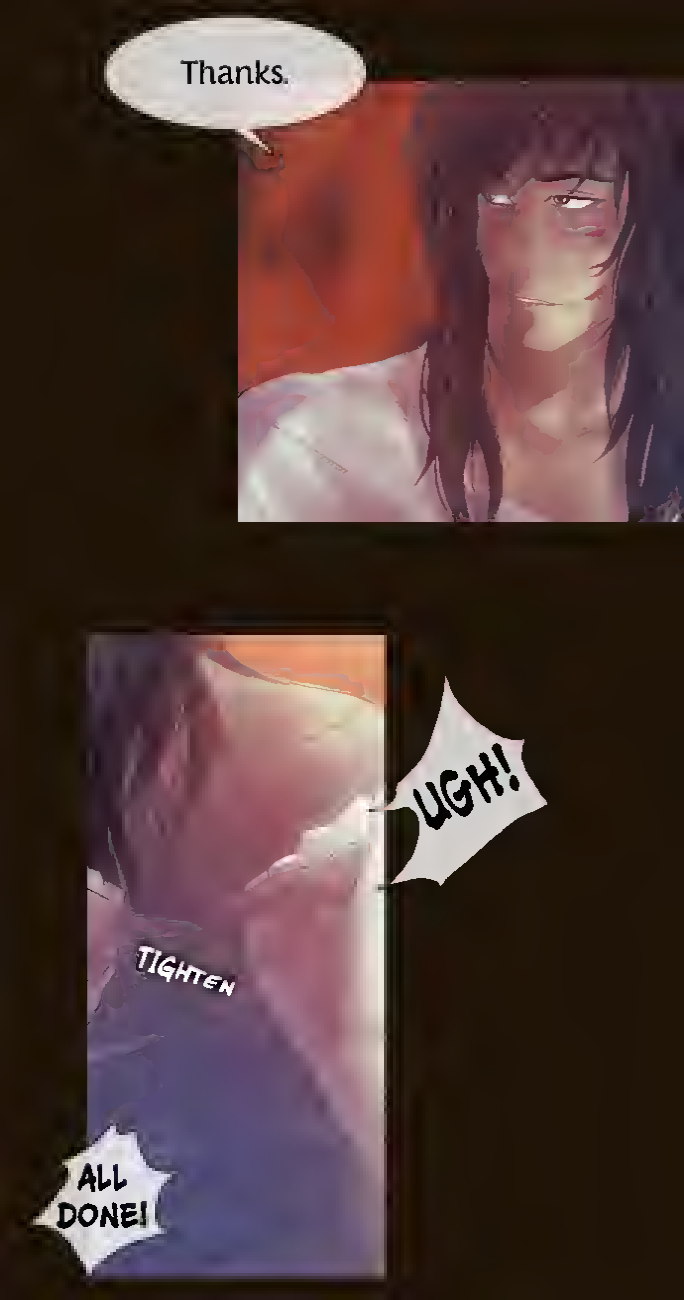

I'll look forward to it.

I'll finish here for today.

Thanks.

She's evil. How could she hit him like that when he's injured so badly?
SWEAT

If I was the one injured, she would've harassed me the whole time. Ugh...

If we move this slowly, someone else will be on our tail again.

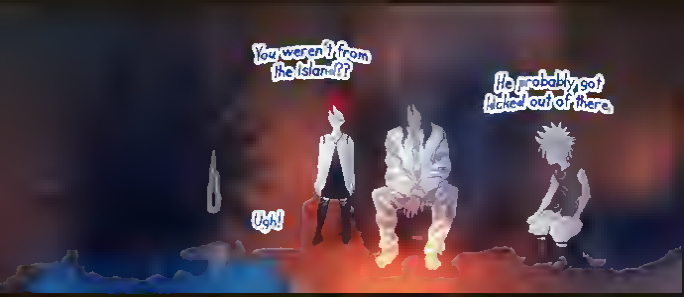

BUT WE CAN'T! YOU HAVE TO TAKE IT EASY FOR A WHILE.

Our fight was so big that we may have to fight again if we delay any more
We have to get as far away from here as possible.
Why don't we hide out somewhere while you recover?

Hmm?

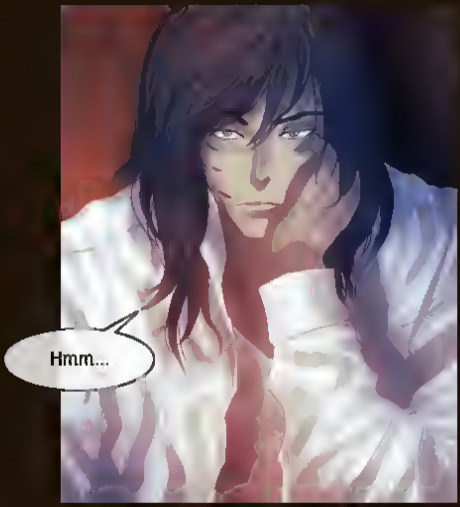

Err...Then, it's a bit out of our way, but...how about we head towards Belle ?

The town that I grew up in is on the way there.
hehehe
It's a really rundown village, so it's probably the best place if you want to lay low.

You weren't from the island!??
He probably got kicked out of there.
Ugh!

We won't be able to fight anyone off in this state, so even if we have to go around a bit...

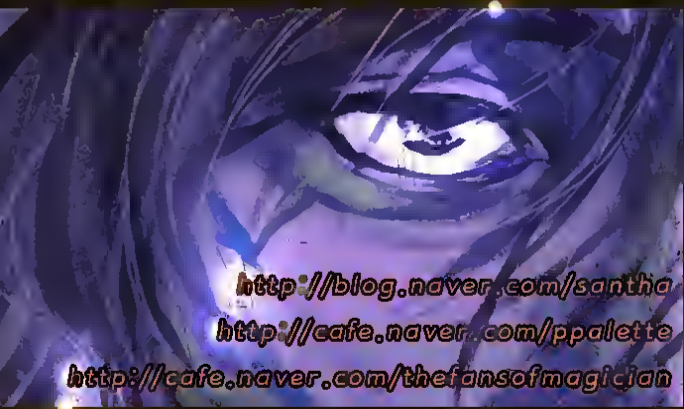

I agree that we should rest first.
I think that's a good idea too.

Hmm...

Episode 15 — Dirt Loves Merchants (02)

Hmm...
rattle

I didn't expect them to go that way.

Shouldn't we get them now?
No, let's just keep following them for now. You saw the fight between the two of them...

That fight was beyond human ability.
I don't know what would happen to us if we just appeared in front of them with out a plan

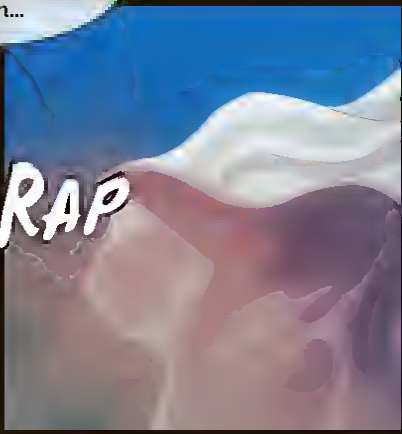

But Edermask is weak right now thanks to that fight.

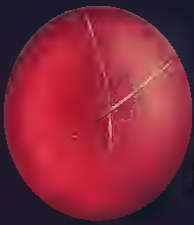

That's foolish!

That man is Edermask. You can't let your guard down because of something like that.

The kids he's travelling with are also trouble.
I'm sure he's not just bringing them along for fun.

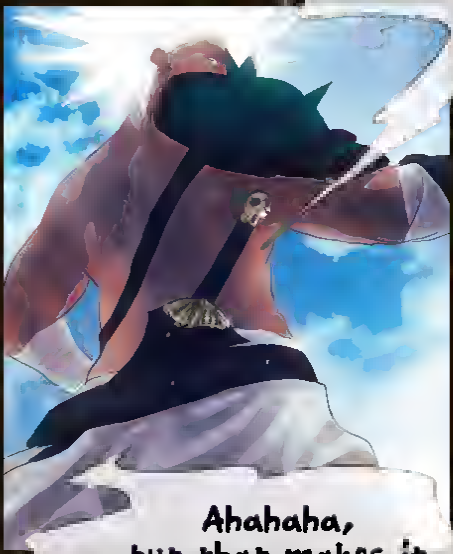

We need to know what level those kids are on...

URGH!!!

YOU BASTARD!! WHOSE FACE DO YOU THINK YOU'RE FARTING ON!!!
Ugh! You...
pshhhhhh

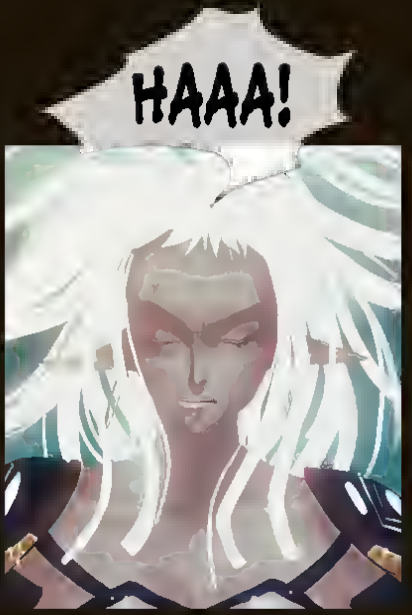

DIDN'T I TELL YOU OVER AND OVER AGAIN? IF YOU'RE GOING KEEP ME TUCKED INSIDE YOUR BELT, THEN AT LEAST MAKE ME A SCABBARD! DAMMIT!!
Ahahaha, but that makes it harder to draw and sheath.

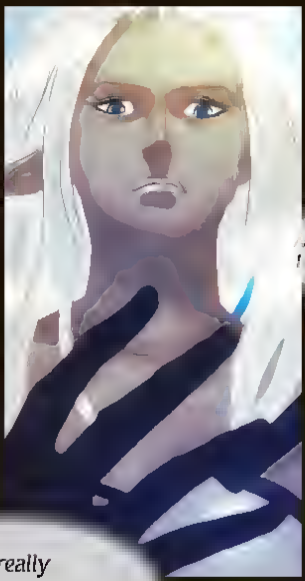

Then should I just carry you in my hands?
YOU'RE JUST GOING TO DRAG ME ALONG THE GROUND AGAIN!
They're at it again.
Then what should I do? You're heavy!
UGH! IT'S LIKE TALKING TO A BRICK WALL. THEN MAKE ME A SCABBARD!!!
I keep telling you that it makes it difficult to draw and sheath you.

Hmm...
ARE YOU KIDDING ME? YOU'RE JUST PLAYING WITH WORDS NOW!
UGH! WHAT SHOULD I DO WITH YOU?!

Episode 15 — Dirt Loves Merchants (D3)

What's going on?
What happened here after I left?

touch
Judging from the remains, it hasn't been that long...

Let's search the town first.
Ah, yes

HELLO?
IS ANYONE HERE?
OI!!
ANYONE THERE?

HELLO?
Hmm

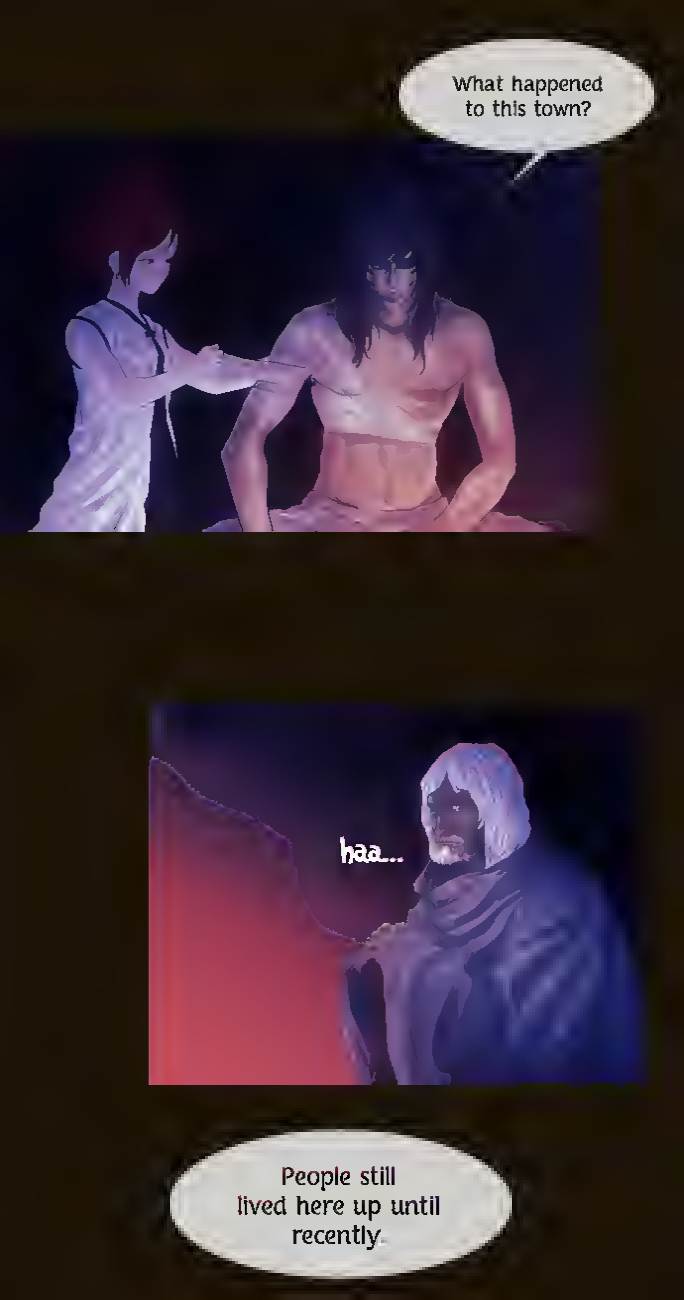

Haa...
Maybe I shouldn't have brought you here.
We just wasted our t...
Who's there?

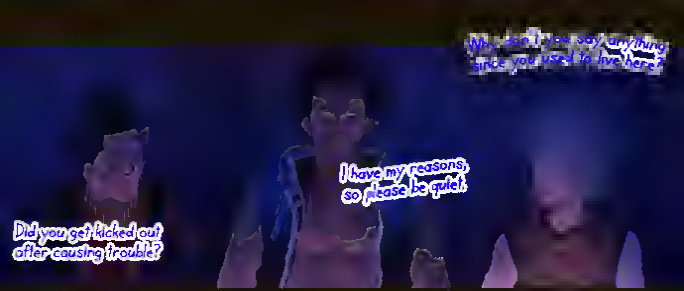

What made you come here?
creak

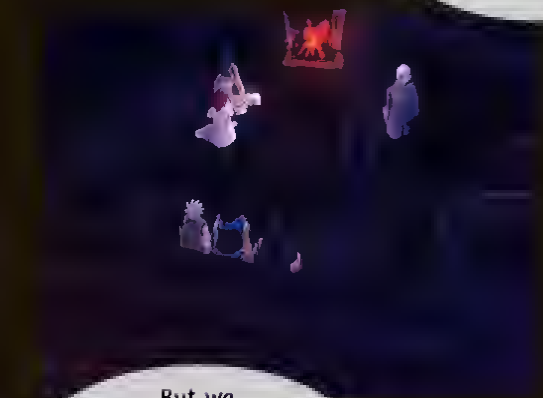

Hello.
Someone was still here!
Eek! That's old man Jed!

crackle
crackle

What happened to this town?
haa...
People still lived here up until recently.

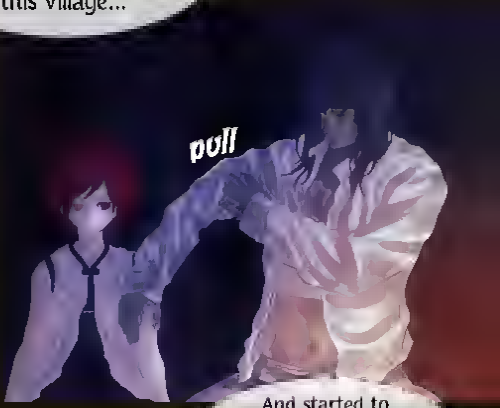

We were always a poor village, and a few people would leave once in a while.

But we were always able to manage somehow.

But when the war didn't end mountain bandits started appearing.
Until finally, a man named Wilds appeared and started pillaging the mountains regularly.

But that wasn't enough for him, and he came down to this village...

And started to interfere with every thing, causing unease in the village

Finally we reported the incidents to the state

I didn't know about that...

However, either because the country was busy fighting the war, or because we were just a small, insignificant town...
They did nothing to help us
And that news soon reached Wilds's ears...
SLAM
WHAT?!

YOU BAS-TARDS!!
What do you think a man with his temper did?
BURN THEM ALL!!
The village was engulfed in flames that night.

Many people died or were injured.

And some of the young women were carried off.

Having lost their family and homes...

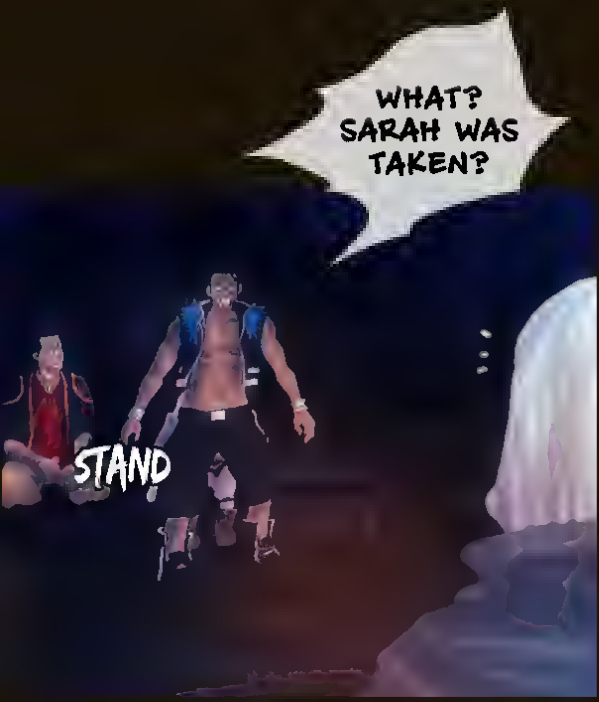

The villagers left this town without looking back.

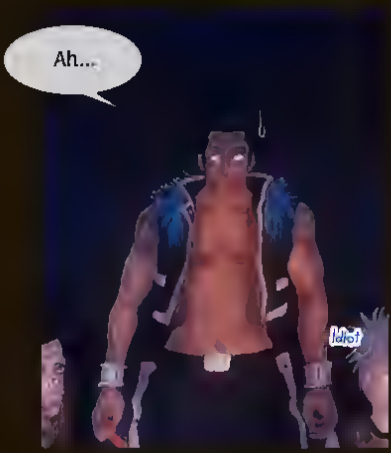

Then why are you still here?
hahahaha
I don't have much longer to live

What would I do if I left this place?
And there's another reason I can't leave.

My grand-daughter was taken by those men...
Huh?
So I stayed.

WHAT?
SARAH WAS
TAKEN?
STAND

H-How do you know my granddaughter's name...?

Ah...

It's...

hohohoho
YOU'RE THAT DIRT?!
Urgh

I thought you looked familiar somehow...
You've grown a lot since I last saw you.

He was such a troublemaker...
AHH! GRAMPS!

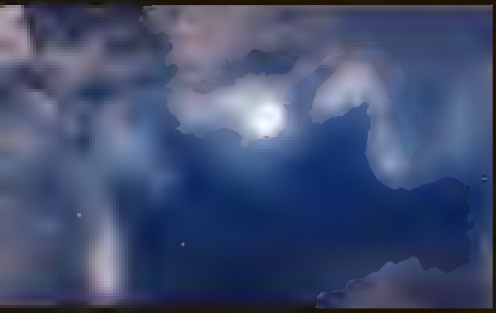

I raised the orphaned boy, but ever since he was young, all he did was get into fights or steal... I beat him up a lot because of it
I give up.
takk
When was that...?
Yes. Once he burned down the whole storage room and caused so much trouble.

Then the wind carried the flames, and the whole town nearly burned to the ground
URGH
But then he followed a merchant who came to our village, and went to live in the city...

How have you been, Dirt? Seeing as you're travelling with other people, have you become a merchant?

.....
Well, he is following a merchant
He was trouble since he was young, huh?
...huh?
tsk tsk
Well, it's too bad the village is no longer what it used to be but it was nice to meet someone whom I hadn't seen in so long
hoho

It's late, so rest up, and we can finish our conversation tomorrow.
I can't offer much, but please make yourselves at home
Good night, grandpa.
Thank you.

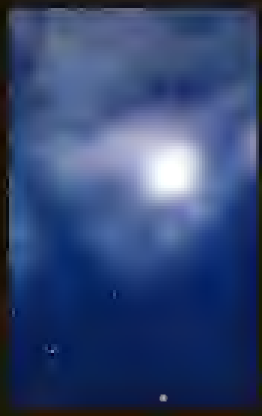

zzzzzzzz

mhm
mhm

open

Hey, hey
Mmm
Don't say anything, and come meet me outside.
Whyerereme...
SHHH

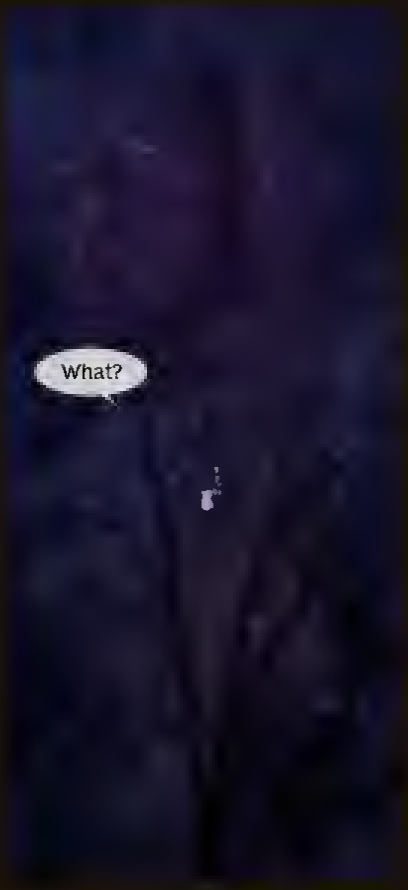

WHAT?!

So you're saying we should go save his granddaughter?
it's too bad what happened to that grandpa.

Alright? Then we're going!
Get what you need and come back out

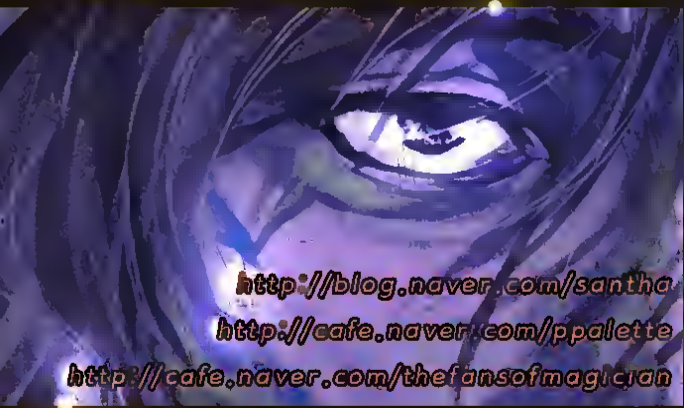

Hey, Iremi...

You heard the old man. They're a big group. How can we take them on?
And I'm no good at fighting

So you don't believe in me?
Don't get mad.
I-it's not that I don't, but...
How about we wait until Edermask-nim regains his strength, and then we go?

Hehehe, he's so simple-minded.

Is that it?
Only two guards? They're really arrogant bandits!
They didn't even consider the possibility of an attack!

From the size of it, it looks like there are no more than 50 people.
It's more than I expected, but if we catch them off guard, I think we can do it.
But you never know. so be extra careful.

Huh?
What? You're still here?

Of course. How could I go back after hearing what you said?

That was unexpected I thought you'd go back right away!

To be honest... I was afraid of retribution...
I can hear you
Ahh!! Hmm...

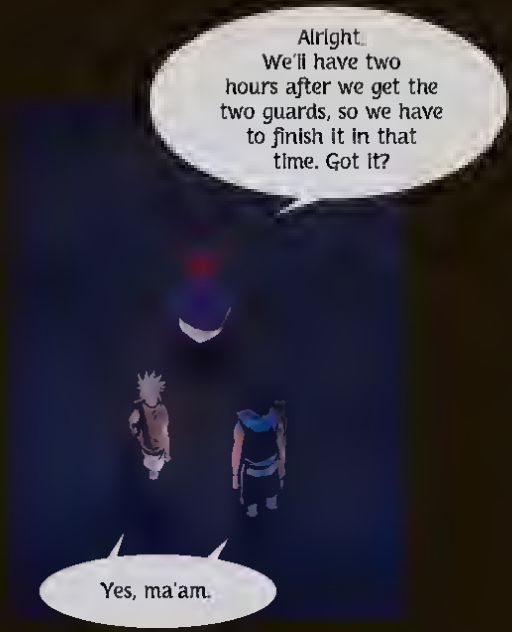

Anyway, come here.
Let's make a plan before we go in
I'll take out the two guards.
The tent is where the bandits live, so the hostages won't be in there

The most likely place is the building at the very end
Dirt, once we get inside, you be the look out and tell us right away if there's a problem.
Okay?

I...I didn't just sign up for something dangerous, did I?
My heart started pounding...

WHAT'RE YOU SAYING?!

YOU JUST HAVE TO HIDE YOUR TANNED BODY IN THE DARK, AND LOOK OUT FOR TROUBLE, AND YOU THINK THAT'S DANGEROUS?!
OWOWOWOWOWOWOW
O-Okay, okay.

First, let's find out how long a guard's shift is
Oh, they came to change shifts just in time. Let's watch.
Those guards look especially tough.

Alright.
We'll have two hours after we get the two guards, so we have to finish it in that time. Got it?
Yes, ma'am.

Something unexpected could come up, so Dirt, don't slack off.
You know what'll happen if you do, right?
Don't fall asleep or anything like that, okay?
I don't want to die, you know.

Eh...

These aren't tricks, it's survival know-how.
Whatever just move faster!
Be careful not to make any noise

Dad, let's say I meet an enemy...
Oh?

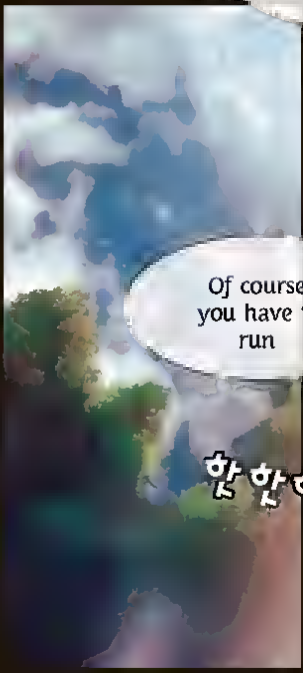

If the enemy's weaker than me, what do I do?

If you're stronger, then you don't need to show off so you should run away
